Class V

Computer (Holiday homework)

1. Collect the images of computers from different generations, write their names and paste on the coloured sheet.
2. Write any five lines about the computer and paste a picture of a computer.
3. Write some lines about the uses of Internet.
4. Type your favourite poem in MS word and make it colourful. Also take printout of that and paste on A4 size coloured sheet.
5. Collect the images of parts of a computer (like Monitor, CPU, Mouse, Keyboard, Speakers and headphones etc.) and paste on coloured sheet.

HAPPY
Summer
