Class VII Maths

Holiday homework

1. Draw a bar graph

Description: List out birth years of your family members at atleast 6 (if required the birth years of relatives may also be taken). Draw bar graph on A4 size coloured sheet.

2. Let's come to an imaginary world.

Assume there are 100 hours in a day. Now write down your routine in the table.

S.No.	Name of activity	Fraction of hours per day in imaginary world	Percentage %
1.	Studying		
2.	Playing		
3.	Watching T.V.		
4.	Computer/Mobile		
5.	Sleeping		

3. Make album of symmetrical shapes.

Description: Line of symmetry is found in abundance everywhere around us. Collect samples of symmetrical figures found in nature, in your house etc. and prepare an album.

4. Make a robot with different coloured sheet (using shapes). Calculate perimeter of all shapes/figures.

5. Prepare net of cube and cuboid using cardboard papers (use A4 size coloured sheet and cardboard).
